THE MIAMI MARLINS STORY

The **Miami Marlins** are emblematic of South Florida, a community that exudes culture, passion, and style. The team sports a fresh and exciting energy heading into the 2023 season, with new Manager **Skip Schumaker**, the unanimous 2022 National League Cy Young Award winner **Sandy Alcantara**, and 2022 All-Star and cover star of MLB The Show 23, **Jazz Chisholm Jr.**

The club's official hashtag #MakeltMiami returns for the 2023 season, focused on celebrating the South Florida community, as the people are at the heart of everything the Marlins are and will become. The Marlins are "Of Miami" and not just in Miami.

Combine the excitement of South Florida with the tradition of America's pastime, and you get one of the most entertaining brands of sport: Miami Marlins Baseball. Our community not only has a rich diversity and upbeat energy, but also a deep-rooted love for the game of baseball. Pair the ambiance of the city with the refreshed approach of the Miami Marlins organization and you get an exciting combination of past, present and future.

The upcoming season marks the franchise's 30th anniversary, a milestone in the club's brief tenure that includes two World Series championships and three National League playoff berths, with the latest coming in 2020. The two-time World Series Champion Marlins are dedicated to building sustained success on and off the field as a world-class entertainment venture, while making a positive impact in our community. The Marlins have also made significant investments in player development and international operations, with the opening of the new academy in the Dominican Republic last year. The club's new player development complex is a state-of-the-facility and one of, if not the, best in the Dominican Republic.

The Marlins head into the 2023 season with a new historic partnership with ADT, the most trusted brand in smart home and small business security, highlighted by the club's first-ever jersey patch. Additionally, ADT becomes the newest Pillar Partner of the Marlins organization as well as the Official Smart Security Partner and Official Solar Energy Partner of the Miami Marlins. The partnership connects two premiere South Florida-based organizations committed to providing the best service and positively impacting the communities where their employees live, work, and serve. ADT, a safety innovator for 148 years, has called Boca Raton, Fla., home for more than two decades and is the #1 smart home security provider in the U.S.

Looking to return to postseason play, the Marlins come in with a determined approach and new leadership with Skip Schumaker at the helm. It all starts with pitching and the Marlins possess one of the most exciting young pitching rotations, led by their ace Sandy Alcantara. The battle for the rotation will include veteran Johnny Cueto, a former All-Star and World Series Champion, southpaws Jesus Luzardo, Trevor Rogers, and Braxton Garrett, and rookie right-hander Edward Cabrera.

On offense, Miami made various additions to upgrade the lineup and add a spark. The first offseason addition was former All-Star infielder Jean Segura, who played a key role in helping the Philadelphia Phillies reach the 2022 World Series. The other new bat to the lineup is 2022 American League Batting Champion and Silver Slugger Luis Arraez. With the acquisition of Arraez, the Marlins will have a familiar name in a different position as Jazz Chisholm Jr. will be playing center field.

As an organization that lives through its values, the Marlins are dedicated to building sustained success on and off the field as a world-class entertainment venture. The Marlins have an unwavering commitment to our community and making an impact with our future leaders and All-Stars. The organization features one of the most diverse front office staffs across professional sports, highlighted by a mix of homegrown talents along with exceptional individuals from across the globe. Our inclusive work environment encourages passionate, innovative, and driven individuals to exceed expectations.

Entering the sixth year under new ownership, the organization has seen steady progress and now boasts a world-class fan experience at loanDepot park that boasts a first-class experience for all. The transformation of loanDepot park occurred with a commitment from ownership to invest in the fan experience that features the look, taste and sounds of the South Florida community, while also being the top pick for family fun.

This season marks the celebration of the Franchise's 30th anniversary, and the Marlins are flashing back to recognize the club's historic past. The Marlins will wear throwback uniforms for most Friday home games, which are themed Flashback Fridays, with the teal pinstripe uniforms worn during the inaugural 1993 season. Additionally, the Marlins are celebrating the past with the addition of the Marlins Museum presented by Fanatics, which lets fans take a stroll down memory lane and get an up-close look at memorabilia and artifacts from team and player milestones.

loanDepot[®] park

The Miami Marlins and loanDepot, the nation's second-largest nonbank retail lender, announced on March 31, 2021 that loanDepot will be the exclusive naming rights partner for loanDepot park, the home of the Miami Marlins and world-class special events, becoming the first naming rights partner in the venue's history. The multi-year partnership began on March 31, 2021 and unites two young, innovative organizations on the rise, with the common vision of providing first-class experience for consumers and positively impacting their community.

Both the Marlins and loanDepot know that "home means everything" as they joined together to continue a commitment to further grow loanDepot park as a jewel sports and entertainment venue. As one of the most versatile venues in sports, loanDepot park will be home to much more than just baseball, also playing host to a variety of diverse public and private events. In addition to Major League Baseball, loanDepot park is equipped to host jewel events such as the MLB All-Star Game, World Baseball Classic, Caribbean Series, Super Bowl Opening Night, Monster Jam, as well as concerts, community events, graduations, and much more. The uniqueness and attractiveness of the venue make it ideal for world-class entertainment and business events.

A special announcement was made on March 31, 2021 to introduce loanDepot park to media as well as staff members from loanDepot and the Miami Marlins. The day began with a press conference and concluded with two young athletes from the Boys and Girls Club of Miami-Dade to score the first run and throw the first pitch in loanDepot park history. Young athlete Leslie Valle took the field at second base and came across to score the first run at loanDepot park, while loanDepot Founder Anthony Hsieh took the mound and fired a strike to young athlete Adrian Blanco.

Both loanDepot and the Marlins prioritize the importance of community involvement and are deeply connected to the communities in which they live and work. As part of their new alliance, loanDepot will donate \$50 for every Marlins run scored during the regular season to expand youth baseball and softball opportunities through the Miami Marlins Foundation programming at the Boys & Girls Clubs of Miami-Dade. This is in addition to loanDepot's season-long "Home Means Everything" RBI campaign, for which the company will be donating \$25 for every regular season RBI to Boys & Girls Clubs of America. loanDepot is kicking off the "Home Means Everything" RBI campaign with a special Opening Day activation that will bring \$250 for every RBI for BGCA.

Additionally, in recognition of their dedication and service, and to provide continued assistance to active duty military personnel and veterans, loanDepot will serve as the presenting sponsor of Salute & Serve Days. Every Monday at loanDepot park, active and retired military personnel, veterans, fire rescue personnel, members of the police department, and healthcare professionals will receive two complimentary tickets to the game.

FAN EXPERIENCE

Under the guidance of principal owner Bruce Sherman, the Miami Marlins have made it a priority to invest in the fan experience, with the goal of being one of the most desired entertainment options in South Florida, providing an authentic South Florida experience and affordable family fun. The Miami Marlins are committed to investing in the fan experience and providing a **first-class entertainment experience** at loanDepot park. The organization has continuously reaffirmed this commitment since new ownership took control in 2017.

Prior to the 2018 season, the organization launched the Dímelo listening campaign, and results from fan feedback were immediately put in action to enhance the ballpark experience. The Marlins set the premium standard with the transformation of the PNC Club, added social space concepts that offer unique locations to hang out and watch the game, and have crafted a food and beverage experience that reflects the South Florida community.

Making Marlins baseball one of the most affordable entertainment experiences in the South Florida market remains a priority. The commitment began with enhancements, extended to the food and beverage experience with the creation of The \$3 o \$5 Menu, was highlighted by the ticket price reset heading into the 2019 campaign, and continued with reduced price of parking and a new line of value merchandise in partnership with Fanatics for the 2020 season.

WORLD-CLASS SPECIAL EVENTS

loanDepot park is home to much more than just baseball. During its brief existence, the ballpark has played host to a variety of diverse events.

From charity walks and concerts to sporting matches, the ballpark hosts a myriad of events each year that contribute immensely to the vibrant culture of Miami. On November 13, 2012, the national teams of Venezuela and Nigeria faced off in the first ever soccer match at loanDepot park. In addition, loanDepot park brought football back to the original Orange Bowl site by hosting the Miami Beach Bowl for three years, from 2014-16. On November 23, 2019, the ballpark reunited former Orange Bowl tenants as the football teams from Florida International University and the University of Miami squared off.

As South Florida's jewel venue for international entertainment, loanDepot park made history in 2023 as the first venue to host games in all three rounds of the World Baseball Classic. More than 500,000 fans entered the doors of the ballpark in March of 2023 to catch the international baseball tournament as loanDepot park became the Home of Beisbol. The venue will make history again in 2024 as the first MLB ballpark to host the Caribbean Series (Serie del Caribe).

loanDepot park's uniqueness and attractiveness have made the venue ideal for world-class entertainment, hosting many sporting events as well as many business and entertainment events. The lineup of concerts that have taken the field at loanDepot park is an All-Star level, including Beyonce, Guns-N-Roses, Marc Anthony, Romeo Santos and more. The ballpark has also hosted the 2017 MLB All-Star Game, Super Bowl LIV Opening Night, international soccer and racing events, Stadiumlinks Golf, and more sporting events. Non-sporting events hosted at the ballpark include 10X Growth Conference, Joel Osteen, Grand Slam Party Latino, Tiger Direct Bash, Give Miami Day, and DJ Khaled celebrated his son Asahd's second birthday, which had a carnival theme and featured a ferris wheel at second base!

The South Florida community has also been able to enjoy this unique facility. Bar mitzvahs and weddings have been held at the ballpark, as well as homecoming dances and graduations for local high schools and universities. On October 14, 2017, loanDepot park hosted Somos LIVE!, a benefit concert to support disaster relief for Puerto Rico, South Florida, the Caribbean and Mexico following Hurricane Irma and a devastating earthquake in Mexico. Earlier this year, loanDepot park was the site for the largest celebration of Israel's 75th anniversary of independence.

VENUE LIKE NO OTHER

From intimate private parties and board meetings to large-scale corporate events and conventions, loanDepot park offers a variety of event spaces to suit any occasion inside and outside the ballpark. The left-field skyline wall is a feature unlike any other in Major League Baseball. Six (6) glass panels, towering at 60' tall by 40' wide, open to create a breathtaking view of downtown Miami's spectacular skyline. Hosts can take their event behind-the-scenes using one of the clubhouses, batting cages or press conference rooms. The ballpark features an open 360-degree Promenade Level, giving fans a live view of the playing field no matter where they are.

INVESTMENT IN FAN EXPERIENCE

With a focus on elevating the fan experience and an investment in the cost of the fan experience, the Miami Marlins turned loanDepot park into a go-to destination for a first-class experience. The offseason projects began in 2019 with the transformation of the PNC Club, and was followed by the creation of two social space concepts, AutoNation Alley and The Social.

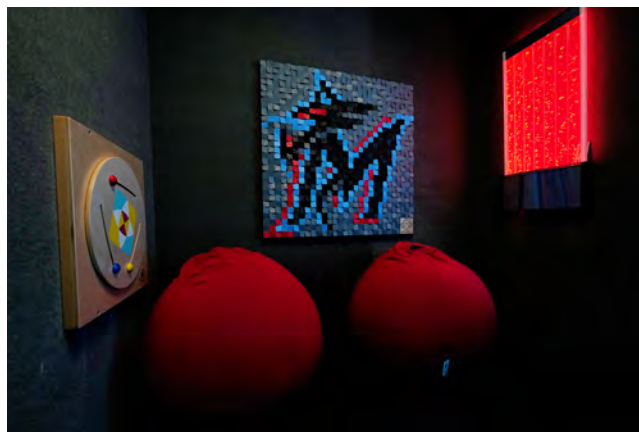

The Marlins then developed a re-imagined food and beverage experience for guests at loanDepot park. In addition to new food partners, all of whom have great Miami stories, on the re-concepted Promenade Level, the Marlins launched a new \$3 or \$5 Menu, which is a food and beverage value menu that offers ballpark favorites at an introductory price of \$3 or \$5, such as a \$3 hot dog and \$5 beer. The final ingredient in 2019 was the addition of El Mercadito, a grab-and-go market offering fans fresh and healthy food options for all Marlins home games.

The additions continued this year with the new LED Sports Lighting System and Recess Sports Lounge, the newest spot in town for food and entertainment with a truly unique vibe and a unique view, located in left field just beyond the outfield fence. In 2021 with the Biscayne Brew Hall, a new 3000-square-foot space located in the atrium area near sections 15-16 on the Promenade Level, and new Fanatics Team Store, an open retail concept located in left field near section 27. The latest enhancement at loanDepot park is the new lounge space in left field, which provides fans with a one-of-a-kind experience by combining a unique field perspective and a fun atmosphere that can only be found in the Wynwood neighborhood.

NEW ADDITIONS TO THE BALLPARK

The Miami Marlins provide an inclusive fan experience, with accommodations for all guests. This year, the Marlins introduced a new, dedicated Sensory Room and a Mamava Nursing Pod presented by Florida Blue.

The Mamava Nursing Pod presented by Florida Blue, located on the Promenade Level in front of Section 21, will provide mothers a comfortable and private space to nurse their babies while at the ballpark. The spacious pod will feature benches, a shelf, perfectly placed electrical outlets with USB ports, and a mirror to make sure mom is good to go before heading back to the game. To access the pod, fans will need to download the Mamava app to secure the pod's digit code.

The loanDepot park Sensory Room, done in collaboration with KultureCity, is located on the fifth floor - Legends Level - and provides a welcoming space for neurodivergent guests looking for temporary respite from the gameday atmosphere. The calming environment will boast fun items and activities aimed to stimulate or relax specific senses including activity panels, Yogibo bean bags, and 100% recycled acoustic carpet, among other things. To access the room, fans will first need to head to any guest services booth to sign in. Additionally, guests can visit guest services at the ballpark to request sensory bags, which they can take to their seats. The kits include fidgets, needs cards, mood cards, and noise-canceling headphones.

PNC CLUB

The premium standard has been reset by the Miami Marlins with the PNC Club. The premium space at loanDepot park received a transformation into a first-class lounge experience that speaks to those seeking a uniquely refined Miami vibe. With a re-imagined food and beverage experience, The Club presented by DEX Imaging features an elevated casual concept with DJ music and a variety of food and drink options, which extends to and enhances the in-seat experience. A versatile space for guests to dine or socialize aims to be the hot spot for Marlins games and events at loanDepot park. The interior design delivers a fresh Miami look, as designed by local Miami firm, Edge of Architecture.

LOANDEPOT PARK

The PNC Club features more than a 20 percent increase in club function space as well as a redesigned entrance to welcome guests, a new stylish bar serving craft cocktails and featured beverages, and a new corridor to the club's premium seats behind home plate – which will transform and elevate the path from club to seat. The contemporary club atmosphere includes a live DJ setting an event-appropriate vibe and a variety of in-club seating for dining and socializing. Fans can enjoy in-club views of the Marlins batting cages, while sampling drinks and passed small bites prior to first pitch and interacting with featured chefs during live in-club cooking demonstrations.

RECESS SPORTS LOUNGE

In partnership with Miami's own RJ Hospitality, the Miami Marlins are excited to introduce Recess Sports Lounge at loanDepot park, a fresh experience in one of the most unique spots of any sports venue. South Florida's hottest new sports lounge combines food, music and fun with guests practically standing in left field! The Recess Sports Lounge is the double play Miami has been waiting for, with a traditional American menu infused with a Latin twist and an extensive lineup of handcrafted signature cocktails and craft beer.

RJ Hospitality, creators of Centro in Wynwood and Bandoleros in Ft. Lauderdale as well as the operators of DAER, and led by Miami's Jose Estrada, brings its leading expertise in Miami entertainment and culture to loanDepot park. Recess, just beyond the left field fence and boasting one-of-a-kind views directly onto the field, will feature an upbeat vibe and DJ-infused game experience. The unique, vibrant energy found at Recess reflects the culture of South Florida, providing guests with a new way to experience the game that only Miami can offer.

BISCAYNE BAY BREW HALL

The Miami Marlins and Biscayne Bay Brewing Company teamed up to brew the newest ballpark enhancement at loanDepot park, the Biscayne Bay Brew Hall. Consistent with the Miami Marlins' commitment to invest in the fan experience, the new Biscayne Bay Brew Hall will feature a bar and social seating, with a performance space and a large video wall. The new space provides a unique social experience for fans attending Marlins games as well as non-baseball events. Fans can enjoy a stellar lineup of great beers and delicious bites, highlighted by the signature Marlins Lager. The special craft beer was done in partnership with Biscayne Bay Brewing Co. and is also available at retail locations throughout South Florida.

AUTONATION ALLEY & THE SOCIAL

The on-going transformation of loanDepot park into a first-class entertainment experience featured the addition of social space concepts with AutoNation Alley and The Social in 2019. These ballpark enhancements offer fans new vantage points and unique viewing experiences at Marlins home games.

AutoNation Alley and The Social, which were designed by MSA Sport – a national sports architecture firm, feature standing room only (SRO) space which enhances the ability to flow freely between locations for varied perspectives of the field and game action. A new low-priced ticket product, the Party Pass, provides holders with priority access to both new locations and viewing experiences.

AutoNation Alley is a tiered viewing platform structure with three primary levels. The top level is accessible to all fans from the Promenade Level and features a craft cocktail bar experience; the middle level serves as an exclusive standing view platform with a drink rail; and the lower level serves as an exclusive group hospitality space.

LOANDEPOT PARK

Redevelopment of this area at loanDepot park provides improved sightlines from the concourse to the field and back to the cityscape in the exterior through the Skyline Terrace. The re-imagined in-bowl visual experience is surrounded by a redesigned batter's eye with a lush, ivy-look that transitions to the State Farm signage on the left field façade. With more than 2,250 total square feet of space across the three levels, AutoNation Alley is ideal for group outings and functions. The lower level of AutoNation Alley overlooks the center field wall, bringing fans closer to the action.

The Social, with a spectator capacity of more than 200, is located in the foul territory corner of right field, composed of the former 10 rows of Sections 1-3 closest to the Promenade Level concourse. The section will provide an exclusive access gathering spot for SRO Social Pass holders with a redesigned in-section view of the game from five tiered drink rails.

BOBBLEHEAD MUSEUM

The Bobblehead Museum display on the Promenade Level is the first of its kind in baseball and is located in Billy's Kids Zone in center field. It features a collection of current and former Marlins player bobbleheads, as well as current and past players, managers, broadcasters, and mascots throughout Major League Baseball history. This display holds approximately 500 bobbleheads and regularly features new entries. The entire structure moves ever so slightly, which causes the heads to bobble.

RE-IMAGINED FOOD AND BEVERAGE EXPERIENCE

In an ongoing effort to enhance the fan experience at loanDepot park, the Miami Marlins re-imagined the food and beverage experience and re-concepted all concessions on the Promenade Level prior to the 2019 season and have continued those efforts to provide delicious options for all fans! Levy is the official hospitality partner of the Marlins, welcoming each fan with world-class food and heartfelt hospitality.

The Marlins first introduced the \$3 o \$5 Menu – a new food and beverage menu option for all Marlins home games. The \$3 o \$5 Menu features core ballpark favorites at a new introductory price of either \$3 or \$5, giving fans the ability to purchase a hot dog for just \$3 or a beer for \$5. The \$3 o \$5 Menu is available at Obie's (Section 13) and Familia Faves (Section 37) on the Promenade Level, two of the largest concession areas at loanDepot park, providing convenient access to all guests. Marlins Member purchases of \$3 o \$5 Menu items will be eligible for their exclusive Member Benefit savings rate on food and beverage, and retail purchases at loanDepot park, allowing for up to an additional 25 percent savings based on membership level.

The Marlins also added new food partners prior to the 2019 season to deliver an authentic Miami experience. The new partners, all of whom have great Miami stories and connections to the community, are Miami's Best Pizza, PINCHO, Novecento, and SuViche. loanDepot park serves as the exclusive South Florida professional sports venue to host Novecento and Miami's Best Pizza. The ballpark will also showcase unique menu items and activations via the PINCHO and SuViche partnerships. The diverse array of concepts and concessions is reflective of the ever-evolving South Florida community.

The partner brand concession locations were part of a full re-concept and reposition of the Promenade Level food and beverage experience by the Marlins and hospitality partner Levy. The program, based on fan feedback and industry-leading practices, introduced new menu items and stand designs inspired by the community for ballpark favorites as well as other new specialty concepts, including a rotating feature location for test menus by Levy. In addition, Marlins Members and their guests located in the PNC Club have exclusive access to an interactive chef experience in the expanded club, and an elevated in-seat dining and drink service as part of the new industry standard for premium seating.

The evolution of the food and beverage experience at loanDepot park in 2019 continued this year with the addition of Naked Taco to the roster of All-Star concessions at loanDepot park as well as the introduction of the biggest and baddest Cuban sandwich in South Florida and professional sports - the Cubano Gigante. Naked Taco is a South Florida favorite that pairs amazing tacos with refreshing hand-crafted cocktails. The Cubano Gigante (Goya Stand - Section 40) measures 34 inches long and weighs close to 3 pounds, feeding a group of 4 to 8 people.

WELLNESS

In 2021, the Miami Marlins Foundation distributed more than 5 Million meals across the South Florida community, with the support of partnerships with Feeding South Florida, Farm Share, Florida Blue, and Isermann Family Foundation.

Our wellness programs focus on food security and mental and physical well-being. Our wellness initiatives include:

- + Great Minds, Great Athletes Program:** The award-nominated mental wellness program returns for the third year, focused on providing student-athletes and their support group (coaches, staff, and parents) the skills to improve students' social and emotional needs. The program has grown to 27 schools in Miami-Dade County Public Schools, and provides a positive, character-building experience focused on the youth's social and emotional growth. In 2020, the Marlins launched the Great Minds, Great Athletes Program in partnership with Miami-Dade County Public Schools and the Positive Coaching Alliance, providing mental wellness support for student-athletes as well as their parents, coaches, and school administration. NIKE has joined the Marlins efforts and will entitle the program for the 2022-23 school year.

+ **Home Plate Meals Food Pantry Program:** In partnership with Feeding South Florida, we underwrite a food pantry at Charles Drew K-8 Center and Citrus Grove Elementary/Middle Schools to provide a variety of readily accessible food to students and their families, in a safe environment with which they are already familiar. The food pantry focuses on providing non-perishables and fresh fruits and vegetables through a monthly farmers market style distribution. The generous support of our players and fans has enabled us to support this program.

+ **Home Plate Meals Food Distributions:** Focusing on wellness challenges that prevent children from excelling in school, the Miami Marlins Foundation addresses food security, promotes healthy eating habits, and physical and mental fitness. Our Home Plate Meals program, consisting of food pantries, drive-thru and mobile distributions, and a Thanksgiving distribution program, has provided over 825,000 meals to our local community.

+ **Home Plate Meals Thanksgiving Distribution presented by Tito's Handmade Vodka:** The Miami Marlins Foundation hosted its annual Thanksgiving Distribution at loanDepot park thanks to the generous support of Tito's Handmade Vodka. Marlins players Sandy Alcantara and Jesus Luzardo were joined by Marlins staff and players, community leaders, and Love, Tito's volunteers to donate 1,000 Thanksgiving meals to low-income families in our local neighborhood. Each family receives a Thanksgiving bag which includes a 10-pound turkey and fixings that include stuffing, cranberry sauce, rice, pasta, canned tomatoes, fresh sweet potatoes, fresh corn, fresh zucchini and fresh squash, serving more than 20,000 meals.

EMPOWERMENT

Our empowerment programs are providing access and opportunity to more than 54,000 students.

Our empowerment initiatives include:

+ **Slugger Schoolhouse Program presented by PNC Bank:** The Miami Marlins Foundation Slugger Schoolhouse Program presented by PNC Bank brings together year-round resources from the Miami Marlins, MLB, and our partners to schools in our loanDepot park neighborhood.

Each school year, the Miami Marlins Foundation coordinates quarterly initiatives with the students including educational opportunities, food distributions, empowerment projects, and exercise programs. Participating schools include Lenora B. Smith Elementary, Poinciana Park Elementary, Kensington Park Elementary, and Alpha Charter of Excellence.

+ **Miami Marlins Scholars:** Scholars are need-based academic scholarships that are awarded annually in two key categories:

Legacy Scholars: Awarded to students who have a commitment to making a significant impact in their community and live by Jackie Robinson's nine values; awarded through the RBI Scholarship and the Jackie Robinson Foundation Scholarship presented by NIKE.

First Generation Scholars: Awarded to students who are first in their family to attend college.

+ **Back to School Distribution:** Our annual Back to School distribution, in partnership with the Kiwanis Club of Little Havana, provides more than 9,000 students with school supplies in select Miami-Dade and Broward County elementary schools. AutoNation was the presenting partner in 2020 for school supplies for Broward County schools.

+ **Holiday Wishes presented by MaxSip Telecom:** This initiative celebrates the joy of the holidays. Families enjoy treats, arts and crafts, and music. Our employees select kids' wishes and purchase gifts providing youth from low-income families with an unforgettable holiday experience.

YOUTH BASEBALL & SOFTBALL

The Foundation provides sports-based youth development programs that utilize baseball and softball as the vehicle to provide kids with life-changing social and emotional learning experiences. Our programs impact over 100,000 youth in South Florida, reinforcing what it means to be a team, providing character development, and creating leadership opportunities for youth of all abilities.

MARLINS YOUTH ACADEMY

With extensive youth baseball and softball satellite programming throughout Monroe, Miami-Dade, Broward and Palm Beach counties, the Marlins this year celebrated the establishment of Babcock Park as the headquarters for Marlins Youth Academy programming. The new addition expands the Marlins RBI initiative into Hialeah – an area some would call the birthplace of baseball in South Florida. Local kids around the community will have access to developmental baseball and softball programming, and educational resources through the Marlins Youth Academy at Babcock Park.

- His 197.1 innings set a Marlins' rookie record, surpassing Scott Olsen's 180.2 innings in 2006, and the most by a Marlin overall since Nathan Eovaldi tossed 199.2 in 2014. It was also the most by a rookie in the Majors since Boston's Daisuke Matsuzaka threw 204.2 frames in 2007, and the most by an NL rookie since 1997, when Matt Morris had 217.0 for St. Louis, and Chris Holt had 209.2 for Houston.
- His 32 starts were the most by a rookie in Club history, beating the previous record of 31 starts held by Brian Meadows in 1998 and Scott Olsen in 2006. They were the most by any Marlins' starter since Dan Straily had 33 in 2017.

2019 (CONT.)

- His ERA and average against also made the Franchise rookie leaderboards. His ERA ranked 2nd behind only José Fernández in 2013 (.219), and his average against was the 3rd-lowest mark, trailing Fernández (.182) and Olsen (.239). His average against also ranked 18th among all qualified starters in Club history, the lowest since José Ureña held batters to a .238 average in 2017.
- Among qualified National League rookies in 2019, he ranked 2nd in average against, behind Atlanta's Mike Soroka (.236), and 3rd in ERA and strikeouts.
- He tossed 2 shutouts (May 19 vs. Mets, September 8 vs. Kansas City). He tied Dontrelle Willis in 2003 for the most shutouts by a rookie in Club history. He became just the 8th rookie pitcher since 2000 to record 2 shutouts in a season, the first since Mike Montgomery in 2015 for Seattle, and the first NL pitcher since J.A. Happ in 2009 for Philadelphia. His 2 shutouts in 2019 were tied with Cleveland's Shane Bieber and the White Sox's Lucas Giolito for the most shutouts in the Majors.
- He allowed just 2 hits and struck out 8 in shutting out the Mets. He needed just 89 pitches, the 2nd-fewest in a 9.0-inning complete game in Club history, behind an 88-pitch outing by Henderson Alvarez in 2014. It was the first shutout for Miami since Edinson Volquez's no-hitter on June 3, 2017, vs. Arizona. He became the first rookie pitcher to toss a shutout since San Francisco's Ty Blach did so on June 2, 2017, at Philadelphia.
- In his opening start of the season, on March 31 vs. Colorado, tossed a then career-high 8.0 shutout innings, allowing just 4 hits and striking out 6. He retired 18 of the last 19 batters he faced and was the first Marlins starter with 8.0 shutout innings and no walks since José Fernández did so on September 20, 2016, vs. Washington. According to the Elias Sports Bureau, Alcantara was the 2nd-youngest pitcher (23 years, 205 days) in Club history to toss 8.0 shutout innings; the youngest was Fernández, who did so at 21 years, 272 days on April 29, 2014, vs. Atlanta.
- Alcantara was Miami's lone representative in the 2019 All-Star Game at Progressive Field. He became the 5th rookie in Club history to be named an All-Star, joining Alex Gonzalez (1999), Dontrelle Willis (2003), Dan Uggla (2006), and José Fernández (2013). In the All-Star Game on July 9, he came on in relief in the 8th inning and tossed a scoreless frame, allowing just 1 hit and striking out 1.
- He went 0-2 with a 7.89 ERA (21.2 IP/19 ER) in his first 4 starts to begin the second half, but bounced back over his final 11 starts of the season, posting a 2-4, 2.78 (74.1 IP/23 ER) line, limiting batters to a .207 average with 62 strikeouts. His ERA from August 5 onward ranked 8th in the National League and his average against was 10th.
- He worked at least 7.0 innings in 11 outings in 2019, the most by a Marlin since José Fernández did so 13 times in 2016. Miami went 7-4 in those starts and 4-17 in his other outings.
- Alcantara received an average of 3.06 runs of support per start, by far the lowest in the Majors among qualified pitchers, ahead of Kansas City's Brad Keller (3.81). It was the 3rd-lowest single-season mark in Franchise history (Nathan Eovaldi, 2.70 in 2014 and Josh Johnson, 2.92 in 2012).

2018

- Finished first season in Marlins' system with 6 Major League starts, posting a 2-3 record and 3.44 ERA (34.0 IP/13 ER). - Made season debut with Miami on June 29, making first Major League start against Mets at loanDepot park. Allowed just 1 run on 3 hits with 5 walks and 2 strikeouts over 5.0 innings to record first Major League win.
- The night after his debut, Pablo López made his first career Major League start and also earned a win. The pair became the first set of teammates to earn wins in their first career starts in consecutive days since April 9-10, 2012, when Yu Darvish and Neftali Feliz each made their first career starts with the Rangers. The last National League team to have such a duo was the Reds on April 15-16, 1967 with Gary Nolan and Mel Queen. - Stats LLC

PERSONAL/MISCELLANEOUS

- Johnny Cueto Ortiz....was born in San Pedro de Macoris, Dominican Republic. Still lives there in a house not far from his childhood home. He owns a farm outside the city where he has 15 horses, including two paso finos, the smooth-gaited trail horses imported to the Caribbean generations ago from Spain.
- Has three children named Johnny Jr., Yeiliani, and Joander.
- Cueto is an atypical major league pitcher because of his small size and relatively heavy build, especially for a righthander. He also has a very unusual pitching motion, similar to that used in the 1970s by Luis Tiant and Gene Garber, which sees him pivot his body toward second base before throwing home. He is also known for his ability to make adjustments on the fly, noticing a flaw in a batter's swing that particular day and being able to exploit it immediately, an ability that very few pitchers have.

One shouted at Joey during pregame infield work while he took grounders at third base. Once inside the clubhouse, Joey texted them, "How about that accuracy?"

MARLINS NO-HITTERS

Al Leiter - May 11, 1996 - Joe Robbie Stadium
Colorado 000 000 000 -- 0 0 0
Florida 620 012 00x -- 11 11 0

Al Leiter (2 bb, 6 so, 104 pitches) tossed the first no-hitter in Club history. It was the largest margin of victory in a no-hitter since St. Louis's Bob Gibson (also 11-0) on August 14, 1971 vs. Pittsburgh.

Kevin Brown - June 10, 1997 - 3Com Park at Candlestick Point
Florida 000 010 701 -- 9 8 0
San Fran. 000 000 000 -- 0 0 3

A HBP was all that separated Kevin Brown (7 so, 99 pitches) from a perfect game. He was just the second pitcher in MLB history to fall a HBP short of perfection (two others since).

A.J. Burnett - May 12, 2001 - Qualcomm Stadium
Florida 002 010 000 -- 3 7 0
San Diego 000 000 000 -- 0 0 3

A.J. Burnett walked nine and struck out seven in his no-hitter in San Diego. He and the Reds' Jim Maloney (8/19/65 vs. CHC) are the only pitchers in MLB history with 9+ BB in a 9.0-inn. no-no.

Anibal Sanchez - September 6, 2006 - Dolphins Stadium
Arizona 000 000 000 -- 0 0 0
Florida 010 100 00x -- 2 5 1

Anibal Sanchez (4 bb, 6 so, 103 pitches) no-hit Arizona in his 13th career MLB start. He was just the second Venezuelan to record a no-hitter in MLB history, and the 19th rookie.

Henderson Alvarez - September 29, 2013 - loanDepot park
Detroit 000 000 000 -- 0 0 1
Miami 000 000 001 -- 1 6 1

Henderson Alvarez (bb, 4 so, 99 pitches) threw the first Closing Day no-hitter in MLB since Mike Witt in 1984. It was also the first no-hitter clinched in walk-off fashion since 1997.

Edinson Volquez - June 3, 2017 - loanDepot park
Arizona 000 000 000 -- 0 0 1
Miami 000 100 02x -- 3 9 0

Edinson Volquez (2 bb, 10 so, 98 pitches) threw the 29th no-hitter since 1913 in which the pitcher faced the minimum 27 batters, and just the ninth that was not a perfect game.

Joe Robbie Stadium - The Marlins played their first game in Franchise history on April 5, 1993. The day's festivities began with Hall of Famer Joe DiMaggio throwing out the first pitch. In addition, the Club retired the No. 5 in honor of their late president, Carl Barger. The Marlins defeated the Los Angeles Dodgers, 6-3, before a sellout crowd of 42,334 fans. Marlins starter Charlie Hough scattered six hits over six innings to pick up the Club's first win. Walt Weiss gave the Marlins a 2-0 lead in the second inning with a two-run triple. HISTORY OF SUN LIFE STADIUM

Sun Life Stadium, originally known as Joe Robbie Stadium, was the first of its kind to be constructed entirely with private funds. The late Joe Robbie led the financing campaign to build "Joe Robbie Stadium" (JRS) for the Miami Dolphins of the National Football League (NFL). JRS revolutionized the economics of professional sports when it opened in 1987. Inclusion of a Club Level, along with Executive Suites, helped to finance the construction of the stadium. The original multi-purpose facility had more than 1.5 million square feet, over 24,000 parking spaces, 75,000 seats and a playing field that meets standards for the NFL and World Cup Soccer.

On March 7, 1990, H. Wayne Huizenga, then Chairman of the Board and Chief Executive Officer of Blockbuster Video and Huizenga Holdings Inc., agreed to purchase 50 percent of Joe Robbie Stadium and became the point man in the drive to bring Major League Baseball to South Florida. That effort was rewarded in July of 1991, when South Florida was awarded a National League expansion franchise. To accommodate MLB baseball and the Florida Marlins, the stadium was retrofitted in 1992 to include retractable seating, a baseball press box, baseball dugouts, new lights and a hydraulic disappearing pitcher's mound. On January 24, 1994, Mr. Huizenga acquired the remaining 50 percent of the stadium to give him complete ownership.

In February 2008, Mr. Huizenga sold 50 percent of the Miami Dolphins, stadium and surrounding developable land to Stephen M. Ross of New York and Palm Beach. Mr. Ross, Chairman of the Related Companies, an international real estate development company, became an active partner. In January 2009, Mr. Ross closed on the purchase of an additional 45 percent of the team and stadium.

The Miami Marlins enter their 21st Spring Training at Jupiter's Roger Dean Chevrolet Stadium, approximately one and a half hours north of the Club's regular season home of LoanDepot park. The complex is located on approximately 110 acres within the Abacoa Community. Abacoa is located on Donald Ross Road, approximately 1/4 mile east of Interstate 95. The Marlins share the Palm Beach County facility with the St. Louis Cardinals, one of only two multiple-team Spring Training sites in the Grapefruit League.

Roger Dean Chevrolet Stadium was named the Professional Baseball Field of the Year by the Sports Turf Managers Association in 2011.

In 2003, Baseball America recognized Roger Dean Chevrolet Stadium as baseball's fifth-best spring training facility.

The Marlins begin their 31st Spring Training on Saturday February 25, when they open their Grapefruit League slate as host to the St. Louis Cardinals, the first of six games between the cohabitants. Miami will play 18 total games at the Dean, including 7:05 p.m. contests against the Washington Nationals (March 22) and Houston Astros (March 23). The Marlins spent their inaugural Spring Training at the Cocoa Expo Center in Cocoa Beach and played nine years (1994-2002) at Space Coast Stadium in Viera (Melbourne).

The \$28 million state-of-the-art complex opened on February 28, 1998 and accommodates 6,839 fans with luxury suite seats, reserved box seats, bleachers and bullpen seating area in right field. The facility has undergone a series of upgrades in recent seasons, beginning with a new high-definition video board in 2012, reconfigured seats and new sound system in 2015, the addition of the Bullpen Club in 2016 and shade panels installed prior to the 2017 Spring season. Fans will have the opportunity to sit in the Bullpen Club, a 135-seat area that includes table-top seating for a community feel next to the visitor's bullpen. The six air-conditioned luxury suites provide 320 square feet of interior entertainment, including a wet bar, refrigerator, sink, ice maker, color television with DVD, sofa, bar stools and additional seats. Each suite has seating for 12 (outdoors) and is available with a private entrance and elevator access. Prior to the 2018 Spring Training season, all suites at Roger Dean Chevrolet Stadium underwent a modernization by local design company V-Starr.

Following Spring Training, the complex is the home of the Single-A Jupiter Hammerheads (Miami affiliate) and the Palm Beach Cardinals (St. Louis affiliate) of the Florida State League.

Offices for the Marlins Communications Department and the media workroom are located in the Marlins executive offices, beyond the left field wall at Roger Dean Chevrolet Stadium. The Press Dining area is located in the main press box area. Admission to all Marlins Spring Training games requires either a Major League Baseball Spring Training credential, a BBWAA card, or a Marlins season or daily Spring Training credential.
